

# Real-Time Race Information Is HERE!!!

***iCard™ system is up and running and a regular feature at all Western Michigan Region Club Racing events:***

- Competitors and spectators have access to up-to-date lap-by-lap info including...
  - Lap times updated every few seconds
  - Driver information pages
  - Lap times for every competitor
  - Scrolling message when pass on track is made among top three
- Track position overall
- Track position by class
- Fits in the palm of your hand
- Works with a Nintendo Game Boy<sup>1</sup>
- Two versions...
  - *iCard™* (\$129.95)
  - *iCard™ Pro* (\$199.95) – identical to *iCard™* except that electronics and case developed to provide durability for more demanding day-in and day-out needs of the serious competitor

**To purchase, Contact Phil Green at 616-394-6855  
or order online at [www.iCardUS.com](http://www.iCardUS.com)**

<sup>1</sup> Game Boy Color, Game Boy Advance, or Game Boy Advance SP
