

Minutes of the WMR General Membership Meeting November 13th, 2010

The meeting was called to order at 7:04PM

Secretary's Report: Bobbe Orr motioned to approve with corrections. The Member of the Year Award is awarded by the R.E. Seconded and approved.

Treasurer's Report: Terry Feichtenbinder reported there is \$14,872.73 in our account with an increase of \$4559.16 for the year. Dayle Frame motioned to approve report. Seconded and approved.

We need an action of the board for new officers. Nominations do need to be asked for in the newsletter.

Competition Racing Report: Dayle Frame reporting, Bruce Beauvais, Verne Wandell & Dayle Frame went to Roundtable and we have a tentative racing schedule. Our National doesn't have any competition the weekend before. July 23-24 is our Regional with MCSCC. Dayle and Verne have to discuss the details with MCSCC. It might be possible to have them as guests rather than as co-hosts. We are financially healthy enough to do so.

Solo Report: Dave Watson is not present.

Radios: Bruce has not tried out the new base station, looking for replacement radios. He's looking at a Chinese brand, but we would need new headsets. Bobbie Orr in start will test one this season.

Old Business: Fire Extinguishers: We bought 8-9 reconditioned ones this past spring. We will pick up some new ones this spring. Hold for now. We will also hold on the decoder.

New Business: Bobbe Orr motioned that Bruce spend up to \$100.00 on a new tire and wheel for our trailer. Seconded and approved.

In January Dayle wants to have an emptying/cleaning party for the trailer. January 15, 2011 around 10:00 am. There's a leak around the vent to caulk, and repacking the axles, etc.

Bruce Beauvais motioned to adjourn 7:55 pm.
Respectfully submitted by Mary Ellen Sickles
