

s Report:
Jim Washburn: Our financial situation is adequate for continuing ongoing operations. Our checking account balance as presented in this month's Treasurer's Report is reconciled and equal to our most recent bank statement. All of our records are up to date as of March 1, 2014. A copy of our monthly treasurer's report is available to our members upon written request. Bruce Beauvais motioned to approve the report, seconded by Dayle Frame and approved.

Competition Director's Report:

Dayle Frame: We will have 2 races this summer, a regional and a Majors. MSR is open for workers. The entry form for the Regional race on June 28\$29 is almost ready. We will be sending out a postcard again this year to promote our Regional & Majors race. Our Majors race will be at Grattan August 23\$24. We will need a shower truck and porta\$johns at least outside the track. A cap on entries for the Major at Grattan was discussed. Grid will be both inside and outside the track, alternating sessions. We will need to rent a PA system for outside the track. An announcer is needed also. We will need a tent for the dinner, which will be provided by Great Lakes Division..

Solo Report:

Dave & Brad Watson not present but Dayle Frame did receive the report from them. LCC, Kalamazoo and Grattan should be no problem. Other locations were discussed as possibilities. Grattan's rental has caused us to loose money the past several years and it should be closer to holding its own.
